To All Presidents, Registrars, Tournament Directors and Team Contacts,

As of June 1st, 2009 travel papers between Oregon, Washington and Idaho will no longer be required.

All teams wishing to travel however will still need to provide: **a roster with player ID#'s and any guest players attending the tournament to either Debbie or myself no later than 3 days prior to departure via email.**

You will still need to submit travel papers for all other tournaments outside of Washington and Idaho.

If you will be using guest players from outside of Oregon you will still need to have the player released to Oregon prior to your team's departure.

If you are a Tournament Director, please make sure that teams traveling to your tournament are aware of these new rules.

This will mean that teams coming from within these states will no longer need to present any form of travel documents. This should make checking in either your team for tournaments or your tournaments check in much easier.

If you have any questions please don't hesitate to give me a call.

Thank you,
