

## Online Coaching Clinic Registration

[Online Registration](#) - Click on the link to view all currently available coaching classes. Association events will be listed first, followed by events hosted by clubs. Available courses will be listed by date within each section. Click the course you are interested in to see details. If you would like to register for the course, click the Register button.

If you have already registered through Affinity and have a user name and password on the system, click the Yes radio button then click the **Select and Continue** button. Fill in your Username and Password then click the **Login** button. Your user information will be filled in by default on the next screen. Click in the Register check box then click **Continue**. You will see the clinic for which you are registering. If that shows the correct information, click the **Continue** button. You will now be registered for the course. You may view and print a registration receipt by clicking on the **View Payment Summary Coupon** button.

If you do not have an Affinity account, **STOP!**

If you are a coach for an OYSA member club, go to your club's link to Affinity registration to create your user account. If you do not know the link for your club, or if you connect to the club's link and you do not see an option for Coaching Registration, contact the club registrar.

If you are not a coach for an OYSA member club, contact Brian Scott at Oregon Youth Soccer - 503-626-4625 or [brian@oregonyouthsoccer.org](mailto:brian@oregonyouthsoccer.org) for assistance in registering for a coaching clinic.

Oregon Youth Soccer will only deliver clinic certificates to registered individuals who have submitted a background disclosure and whose risk status is "Approved." Registering as a club coach will automatically submit your background disclosure information for a background check.

For answers to questions about a particular course, contact the clinic administrator whose name and contact information appear in the clinic description and on the registration receipt.
