

The following travel information will apply to all teams attending the Far West Regional tournament in June 2010 (please check the Region IV website for further information):

Stay-to-play housing policy for FWR 2010

To the extent teams participating in Far West Regionals for 2010 and 2011 utilize hotel rooms for their lodging, those teams must book their hotel rooms through the hosting state association or its designated housing bureau. Failure to comply with this requirement will result in a \$500 fine to the team. Demonstrated compliance with the policy, or payment of the fine, will be required before certification of rosters on the Sunday before play begins.

New Mexico Youth Soccer will use the ABQ Housing for our booking agent for this event. We are currently redefining and refining the procedures we will use to book hotel rooms, track compliance with the policy and provide excellent service for teams that will be unaccustomed to the new policy. Much more information will follow in the next few days. We hope to have full booking capability available by August 11, 2009.

All teams will book hotel reservations on their own and will comply with all reservation requirements through ABQ Housing. NMYSA will assist on a team-by-team basis. The state association will exert no control over the reservations.
