

Age Breakdown for Oregon ODP

- Oregon ODP has five age group pools in the state.
- The ODP program is a calendar year program, which means, players born in a particular year, for example, players born in 1997 (Jan. 1-Dec. 31) are eligible to tryout for the 1997 ODP Pool. No player older than a 97' is eligible to tryout.
- The only time Oregon ODP offers younger players the chance to “play up” in ODP is at the youngest age group.

Oregon ODP Junior Olympic Camp Program

-Oregon ODP does offer a Junior Olympic Program for players 1-2 years away from playing in Oregon ODP. This program consists of Regionalized Camps in your particular area. A list of camps and dates will be announced during the ODP season. The Oregon ODP staff uses these camps to prepare players for the ODP level, and evaluate players for future teams.
