

2010 Oregon ODP Regional Pool Players

*On behalf of the Oregon ODP staff and Oregon Youth Soccer Association, we would like to congratulate the following players on being selected to the Region IV ODP Regional Pool for their age groups. We also want to recognize and congratulate their club teams as well. These players are considered the top players in the western region of the United State for their age group. Oregon ODP set a record with 53 Regional Pool Players last year, and we finished with a very respectable 50 this year, good for third place in all of Region IV behind Cal-South and Cal-North. Congratulations again to the players and their clubs.
