**Re:** Contract work with OYSA

---

Your work as a Referee for any OYSA event is considered contract work. In order to ensure that our paperwork is complete for the 2009 OYSA Fall League we are asking that all Referees complete a W-9 form (it must be signed) as well as the OYSA Referee Contract Agreement.

Both of these documents must be returned by September 13<sup>th</sup>, 2009 to be considered for Fall League referee assignments.
