

Registering with OYSA as a referee

All OYSA referee scheduling is done on the www.oregonsoccercentral.com website. Please visit this website and create an account. This involves 'Registering as a new user' and creating a username and a password. When you have created a username and password and have completed the information needed (name, address, USSF certification etc) follow these steps:

STEP 1: Firstly log into your www.oregonsoccercentral.com homepage (using your user name and password).

STEP 2: Complete & submit the referee availability form located at <http://iwanttoref.com>

**** NOTE:** Referees must be USSF certified prior to requesting games ******
