Change in Location this year

As I'm sure you've noticed already, the girl's camp has moved from Moscow, Idaho to the University of Pacific in Stockton, California. Stockton is roughly in-between Sacramento and San Francisco. I am not quite sure if we will drive or fly as of yet, but I'll make that decision here very soon. The idea is to make sure we keep cost down for everybody.

What is a Holdover?

Holdovers are players selected to the Regional Pool. Camp will keep the top 30 players in the 91, 92, 93 and 94 age groups and they will keep the top 60 players in the 95' age group. Being selected to the Regional Pool is a tremendous honor. This means you are considered one of the top 30 players in the Western Region.

91 Camp

As the 91's know, this camp is strictly on invitation only basis. I will let all players know who has been invited as soon as I receive the information. All players who were either on the Regional or National team last year have an automatic invitation to this event.

Camp Information

I will send and post all camp information very soon through your teams managers and the OYSA website at www.oregonyouthsoccer.org under ODP.

Thanks!
