Schedule Notes

- Schedule is not set, but pretty close. Schedule is always subject to change.
- Training will take place in Salem more than likely, but older groups will have college weekends at OSU, U of O and U of P.
- With potential change in Winter League schedule and State Cup, ODP will be given 1-2 days a month to train during the winter.
- 92' girls will be invited to camp based on performance at Regional Championships in January which has become an evaluation tournament for oldest group. As of today, boys still attend as a team.
