91' Pool, hope you are fit and healthy and we hope you are ready to go for state cup play with your club teams. Above is your ODP schedule for the rest of the season. We are happy to announce that on May 17, the entire pool will train, tour and play a game at the University of Portland. The U of P coaching staff will be on hand all day to watch you play and give you a tour in-between training and games. We hope the opportunity of seeing U of P, U of O and Oregon State this year has been helpful as a lot of you research college. More detailed information on U of P will come in May.

Memorial Day Weekend

The 91' group will participate in the Nike Friendship Cup this year. Rosters for this event will be announced as soon as Chris and Tracy select the group.

Regional Camp

Again, camp for this group this year is by invitation only. As soon as I receive the list of players invited, I will pass this along to everybody.

Once again, we wish all of you the best of luck in State Cup, and we look forward to seeing you May 17 at the University of Portland. If you have any questions about training or anything, please don't hesitate to call or email me at 503-626-4625 or erik@oregonyouthsoccer.org. Thanks and stay healthy.
