92' Pool, hope you are fit and healthy and we hope you are ready to go for state cup play with your club teams. Above is your ODP schedule for the rest of the season. We are happy to announce that on May 10, the entire pool will train, tour and play a game at the University of Portland. The U of P coaching staff will be on hand all day to watch you play and give you a tour in-between training and games. We hope the opportunity of seeing both Oregon State and U of P this year has been helpful as a lot of you research college. More detailed information on U of P will come in May.

### Colorado ODP Showcase

Yet one more opportunity to play against some of the best ODP teams in our region in a showcase type event with college coaches from all over the west coast in attendance. We will depart for this trip Thursday evening and be back in Portland Sunday evening with all of you having Memorial Day off. I will have more details on this trip once I complete the travel itinerary. Nelson and Jeff will use both the May 10-11 weekend and the Colorado weekend to finalize their Regional Camp roster for July. Your camp dates are above as well and camp will once again be held at Linfield College here in Oregon.

Once again, we wish all of you the best of luck in State Cup, and we look forward to seeing you May 10 at the University of Portland. If you have any questions about training or anything, please don't hesitate to call or email me at 503-626-4625 or [erik@oregonyouthsoccer.org](mailto:erik@oregonyouthsoccer.org).

Thanks and stay healthy.
