

Abegg signs with Stanford

Stanford University has announced they have signed former Oregon ODP player Marisa Abegg to a letter of intent for women's soccer.

Abegg hails from Lake Oswego, Ore., where she helped her club team to four Snickers State Cup Championships (1999, 2000, 2002, 2003). She has captained the Oregon ODP 87 squad from 2001-04 and was a member of the Region IV ODP squad in 2003 and was a pool member in 2004.

"It has always been a dream of mine to play for Stanford Soccer and it has finally come true," commented Abegg. "I am so excited for the next four years as a Cardinal."

Abegg is also in the running for the Gatorade Athlete of the Year honor after being named the Gatorade Player of the Year in soccer for the state of Oregon.
