Club administrators: Please use these easy steps to register teams for any of these events:

1. make sure all of your player data has been input either manually or by upload
2. have all of your coaches register in the system and complete their background checks
3. once you have formed the team, you can then enter them into OYSA events at the click of a button. No more hand writing of multiple forms
4. club payments for all fees is required before any team will have their status updated for these events.
5. you also need to input your field information when registering your team or teams

Dates to remember:

June 10, 2008 – entry deadline for Fall League and Qualifying tournaments

August 5, 2008 – entry deadline District Recreational League

September 9, 2008 – entry deadline Kohl's American Cup

October 7, 2008 – entry deadline President's Cup

As OYSA and our member clubs transition into this new game scheduling and event manager, we will work together to learn the system and make sure teams get entered into the events that they desire to participate in. If you need assistance, please call on our staff to assist you or stop by the OYSA office, we have set up a work station just for the purpose of assisting clubs with team registration into the new program.
