

# U.S. SOCCER SIX TASKS OF A COACH

---

1	<b>Coaching Games (CG)</b> Create an environment which supports and guides players toward giving their best contribution to the game in order to further develop and score more goals than the opponent.
2	<b>Coaching Training Sessions (CTS)</b> Facilitate an environment which supports and guides players on the field in order to develop them to their full potential as well as prepare players/the team for the game.
3	<b>Leading the Team (LT)</b> Create an environment of inclusion and engage players based on agreed upon team behaviors and goals.
4	<b>Leading the Player (LP)</b> Give players individual, unconditional attention and mentor them to fulfill their potential.
5	<b>Managing the Performance Environment (MPE)</b> Influence off-the-field circumstances and persons in order to create the best possible conditions for the development and performance of the players.
6	<b>Leadership (L)</b> Demonstrate coaching actions which are guided by a player-centered philosophy in order to accomplish defined team and player goals.
