

VEO LEAGUE EXCHANGE

What is the Veo League Exchange?

Veo League Exchange is a platform that allows leagues to easily share game footage, creating a central library for all matches. By leveraging Veo's automated camera technology, leagues can provide unprecedented access to high-quality game film for coaches, players, and officials, streamlining the process of video exchange and elevating the standards of the league.

Empower Coaches and Teams

Providing coaches with the best tools for player development and tactical analysis.

- **Improved Analysis:** Coaches can access and analyze video from every match in the league, not just their own, aiding in scouting opponents and preparing for upcoming games.
- **Faster Exchange:** Eliminates the need for manual file transfers or complex sharing methods, saving coaches valuable time.
- **Development Opportunities:** Allows for easy creation of educational clips and training materials based on actual league gameplay.

What does this mean?

- **League Exchange Access:** Club and team contacts should have received an invitation email by **August 4th** to join the Veo League Exchange. If you haven't accepted it yet, please search your inbox and spam/junk folder for the Veo invitation and complete the setup.
- **Uploading:** The **HOME** team should upload the match within **48 hours** after the match. This match will then be viewable for both teams that played. *(More instructions on how to upload to the league exchange below)*

Frequently Asked Questions:

1. **Q - What if I don't use a Veo camera to record?** Even though recording with a Veo camera is easier, you can still record without using a Veo camera and upload to the league exchange. *(resource below)*
2. **Q - Can I add other members to the Veo Clubhouse?** Yes *(resource below)*
3. **Q - Can I move a video from the League Exchange into my own Veo Clubhouse account?** Yes *(resource below)*
